

## Course Grading Policy

To successfully complete the course, you will have to meet the following requirements:

### Module 1

- Pass 2 tests
- Complete 5 practical tasks

### Module 2

- Pass 6 tests
- Complete 3 practical tasks

### Module 3

- 1 self-check
- Write 2 abstracts
- Pass 1 final test

(!) attendance and **regular** discussion board participation (evaluated both quantitatively and qualitatively).

Each course component is graded accordingly.

(!) The general principle of assessment: the test or practical task is considered successful if the student has completed at least 60% of the tasks.
